

AquaGuard™

Cleaner & Re-Sealer

DESCRIPTION & USE

AquaGuard™ is a new generation ready to use one step cleaner & re-sealer. Use on all sealed Stone, Tile, Grout and other water safe surfaces to clean surface and prolong the performance of the existing sealer. Ideal for domestic, commercial or industrial situations. Helps to remove surface dirt, grease & grime plus inhibit growth of mould, mildew and odours. Boosts the performance and longevity of existing natural look penetrating sealers.

TEST FIRST

Due to the nature of different surfaces, you should do several test areas in inconspicuous areas according to the label instructions to determine surface colour stability and desired results. The end user must determine the suitability of the product for their intended use.

PRECAUTIONS & SAFETY DIRECTIONS

1. Always test first;
2. Read entire label, SDS & product technical bulletin before using;
3. Wear appropriate skin & eye protection;
4. Use when surface temperature is between 4°C & 32°C
5. Do not mix with other chemicals;
6. Do not allow product to come in contact with any non-recommended surfaces;

APPLICATION INSTRUCTIONS:

1. Spray AquaGuard™ directly to surface;
2. Allow to dwell for a few minutes;
3. Wipe completely dry with absorbent paper towels or a clean dry cloth;
4. Repeat the process as necessary;
5. Heavily soiled areas may require scrubbing with a white nylon pad plus a longer dwell time.

Note: Regular use will help prolong the performance of the existing sealer;

LIMITATIONS

- ▶ Will not restore polish finish to dull, etched, worn, scratched or honed surfaces;
- ▶ Contact Aqua-Seal STS™ for appropriate re-polishing product;

HANDLING, STORAGE & CLEAN UP

- ▶ Close container tightly after each use;
- ▶ Store between 4°C and 32°C.
- ▶ Do not re-use container. Discard in rubbish.
- ▶ Clean tools and hands with clean water.

FIRST AID

Contact a doctor or Poisons Information Centre (Australia Ph: 131-126, NZ Ph: 0800 764766). Ingestion: Do not induce vomiting. Give water or milk to drink. Eyes: No effects expected. If irritation occurs, immediately flush eyes with clean, running water for at least 15 minutes & see a doctor. Skin & Hair: Remove contaminated clothing. Immediately wash contaminated skin & hair with plenty of water. Inhalation: First aid not generally required. If in doubt, seek medical advice. General: If irritation persists or feeling unwell, seek medical attention.
